### Morning session

9:30 a.m. - 11:30 a.m.

Topic: ***"How does Worship of Yahweh under the New Covenant Differ from Worship of gods in Ancient Civilizations?"***

Speaker: Dr. Penny Warren

This lecture will explore religions in ancient civilizations, specifically focusing on blood sacrifices. Before Yahweh created the nation of Israel and showed them how He wanted to be worshipped, the world was full of darkness. They worshipped many gods which took on the form of specific rituals dictated by the priestly class of each religion. As in the Mosaic Law, these rituals were consecrated by blood, but could not make a man perfect as pertaining to his conscience. This lecture will show that only the belief in Yahshua's Messiah's blood can transform or resurrect a soul into eternal life.

11:30 a.m.- 1:30 p.m.

Topic: ***"2017 End times Sign in the heavens - The 2017 constellation of Virgo confirms Revelations 12: 1-3 " A Woman Clothed With The Sun with the moon under her feet." Pt 2"***

Speaker: Dr. Donald Brown, PLIM Member

According to the purpose of Yahweh-Elohim, in 34 AD this Present Kingdom Age began with the outpouring of the Holy Spirit on the Jews first and 7 years later on the Gentiles. This event was spiritual in nature and was not by observation. The age is spiritual meaning that the resurrection must take place within the heart and mind. Those of us who are resurrected spiritually represent the woman. We are clothed in Yahshua the messiah who is the true son of Yahweh. The moon which represents the law of carnal ordinances or a state and condition of spiritual death now has no more dominion over us. This means the moon (law) is under our feet.

This was witnessed by the 2017 rotation of the constellation of Virgo the virgin. In 2017, Planet Jupiter (represented by the baby Yahshua) rotated in the womb area of the constellation of Virgo for 40 weeks and exited out. This represents a virgin birth. At the time of the exit, Virgo was clothed in the Sun's light and the lunar moon was under Virgo feet. This alignment of events happens ONLY once every 7000 yrs! This event is a sign in the heavens of the outpouring of the Holy Spirit on the Jews on the day of Pentecost and 7 years later on the Gentiles. We will also correlate the 2017 Virgo constellation with the Great Pyramid end time chronology of the 2038.

Topic: ***“The Secret of the Light in the Universe and in You”***

Speaker: Dr. Lee Warren

This lecture will examine light from a divine and physical viewpoint using Walter Russel's and Dr. H. C. Kinley's works. The failure of modern science consists in them explaining the creation without the creator. The light of Elohim created every integral component of the universe, as space, light, gravity, radiation and physical matter, which makes us all products of light. The

speaker will also examine the U.S. government's secret science of flying saucers in accordance to the tabernacle pattern.

11:30 a.m.- 1:30 p.m.

Topic: "***Are Current Events Repeating/Fulfilling Prophecies of the End of the Age?***"

Speaker: Dr. Devita Brown

Upcoming events, such as global famines (crop failure), earthquakes, upheaval, and civil unrest, will cause great peril, turmoil, and unprecedented chaos in our land. Many of these things have already begun. Also look for various changes in the physical Sun, (a reflect of the true son, Yahshua). There will be extreme weather/powerful storms, blackouts, and exposure of corruption and evil. You may have already noticed these events in the news and the frequency with which they have been occurring. We should be ever more watchful, looking for the signs that can help us to see where we are in the purpose of Yahweh according to the Divine pattern and the principles in the migration of the Israelites out of the chaos and bondage in Egypt. Our gospel is an "up to date" gospel, as the founder, Henry C. Kinley did say. Prophetic dreams, visions, angelic visitations, and prophetic messages have also been more prolific especially as we near the end of this present kingdom age. This was promised with the outpouring of the Holy Spirit at Pentecost AD 33, as was foretold in Joel 2:28-29 and was fulfilled in Acts 2<sup>nd</sup> chapter 1-18.
