

3 Ages Ending in Accordance to the Archetypal Pattern Of the Universe: The Book of Revelation reveals the End of TechnoBabylon

Before discussing this topic, we must understand what occurs at the end of each age or era according to the 1931 panoramic vision of Dr. Henry C. Kinley. He states there are three ages in time in this week of ages.

In each age, there was only a remnant saved by the blood of the Lamb: Noah and his family, the 12 disciples of Yahshua, and many in this present age of grace, as revealed in the Book of Revelation.

The Archetypal Original Pattern of the Universe with the unerring, perpetual, all-encompassing Universal law operating therein, structures and frames all events within the three ages in time.

In the earth plane, Israel's tabernacle with its three compartments are reflections of the unity of the spirit of the Archetypal Original Pattern of the Universe. By the tabernacle pattern, the three ages in time correlate with the three compartments in the tabernacle as follows: Ante-Diluvian Age correlates with the Court Round About, Post Diluvian Age correlates with the Holy Place, the Present Kingdom Age of Grace correlates with the Most Holy Place.

Why Does Chaos or a Death and Burial Occur before a Resurrection?

What must be understood by the tabernacle pattern is Chaos always occurs at the end of each age or era along with the

destruction of a city. The resurrection is the new creation that begins a new age. In short, its a death and burial of the old and a resurrection of the new.

All ages ending with a death and burial and beginning with a resurrection reflect the operation of the Unity of Spirit, the Creator, moving from one state and condition to another: Father, Word or Son, and the Holy Spirit.

The Father Yahweh in a Pure Spirit State is composed of Nine divine attributes, in this apparent chaotic state, without shape and form, and darkness to His creatures (angels and mankind).

Now the Father Yahweh moved in part, not the totality, from this state of pure spirit into the shape and form of a man seen in visions, who is Elohim or the Word or Son, the firstborn of creation. (Col. 1:15-18).

Now Yahweh in the pure spirit state, in apparent chaos and darkness, moved from this abstract state into the intermediate state of the Word or Son in the form of a Man seen only in visions. Thus, Elohim is the resurrection out of the Father's bosom and is reflected by closing or ending each age.

Did Chaos Occur at the Beginning of Creation?

Looking at a few examples by the plan, purpose, and pattern of Yahweh Elohim will prove the principle of chaos occurring with a death and burial at the end of the age or era. Afterward a new creation resurrects unerringly, perpetually, and routinely according to universal spirit law.

The principle of chaos occurred at the beginning of the creation of heaven and earth according to Moses vision in Genesis.

Did a Death, Burial, and Resurrection Occur with Israel in Egypt?

The earth was covered in water, without form and void. Darkness covered the earth and the spirit moved on the face of the deep (Gen. 1:2-3). This is earth's death and burial state with the Spirit being the resurrection bringing in the new creation in six days.

These principles repeat themselves in Egypt. As Israel came out of Egypt, it was destroyed by the last seven of ten plagues of Moses and Aaron.

Egypt was in darkness and chaos, without form, and void of all plant-life and Pharaoh and his army were killed in the waters of Red Sea. Here Egypt was in a death and burial state as Israel resurrected through the Red Sea.

Did the Flood Create Chaos at the end of the First Age in Time?

The first age in time, the Ante-Diluvian, was destroyed with a flood due to Adam & Eve's spiritual death and the spread of man's psychological and spiritual wickedness.

The earth was again immersed in water and darkness covered the deep. The earth returned to chaos without form and void and was in a death and burial state. This was the destruction of the city of Enoch, Cain's seed.

The only survivors were Noah and his family in the ark. Note: this earth state reflected the wicked, psychological and spiritual death-state of mankind. It was Noah's family that resurrected into the next age.

Did Chaos Occur at the Messiah's Death Before He Resurrected a Quickening Spirit?

At the end of the Post Diluvian Age, these principles repeated again with Yahshua the Messiah on the cross ending the Old Covenant (Jer. 31:31-34, Rom. 10:4, Heb. 8-9). It turned dark in

Jerusalem from the sixth to the ninth hour while the Messiah was on the cross. Now a great earthquake leveled ten percent of Jerusalem (Mt. 28:1; Rev. 11:13) and killed 7,000.

Due to the earthquake, Jerusalem became void and without form after Yahshua the Messiah's burial and resurrection with those in the graves.

Fifty days later Pentecost occurred and the Holy Spirit was poured out on the 120 in the upper room (Act 2):, beginning our new Present Age of Grace.

Now the above examples and the repetition are proof by the pattern that our Present Kingdom Age of Grace will end in unimaginable chaos as was done in previous ages. Dr. H. C. Kinley prophesied the destruction of Vatican City in Rome (Rev. 17 Chp.).

Can We Escape the Chaos at the End of our Present Kingdom Age ?

There will be no rapture or escaping this process, as many carnal minds believe according to various man-made religious concepts.

The Book of the Revelation addresses the cataclysmic events at the end of our age with the same events that occurred around the death burial and resurrection of Yahshua the Messiah

In fact, the Book of Revelation is a more detailed version of the 24th chapter of Matthew, when the Messiah told His disciples the events that would end the Post Diluvian Age.

Was their Chaos in Heaven Before the Creation of Earth?

Finally, it must be understood that Lucifer, the serpent or dragon, and his host warred in heaven against Michael and his host. They cast them out of heaven into the earth plane in the

beginning of the physical creation.

This war continued in the earth plane thru the ages of time until Satan was defeated by Yahshua the Messiah's death, burial, resurrection and the outpouring of the Holy Spirit on the day of Pentecost.

How Will Our Present Kingdom Age End?

Our present kingdom age of Grace will end with the destruction of Satan's physical kingdom being destroyed as revealed in the book of Revelation.

The destruction of technobabylon includes the following: worldwide destruction (Rev. 18 th chp.), world war III (Rev. 17th chp. Jer. 53), earthquakes (Rev. 16: 18) and the 7 and plagues.
