Former President H. Bush died during the 45th President's term, which is significant in the purpose of Yahweh Elohim.

Let's look at this current event by the tabernacle pattern and prophetic cycles that repeat over and over again through the ages according to the law and prophets (Old Testament) and Daniel's prophetic cycles.

Now this 45th president's term is correlated with the Daniel Prophecy (Dan. 12:11) of $1290 + 45 = 1335$, which represents Pentecost. (See "WWI & WWII Presidents & President Trump By the Tabernacle Pattern")

This means the whole term of President Trump 45th represents Pentecost and is the repeat of the Present Age of Grace, which also began at Pentecost, 33 AD, when the Holy Spirit was poured out.

Former President H. Bush 41st was of the old order (i.e., globalist for the New World Order, Ambassador to China, Skull & Bones member, and an agent for other skullduggery) and has taken off the flesh as previously stated during he 45th President's term likened unto Pentecost as the Old Covenant of Moses had to give way to the New Covenant (Jer.31:31, Heb. 8th). Pentecost is the age where all things are revealed and there is a release from debt (Jubilee and bondage (Lev. 25:1-4,8-20).

Is it coincidental that there was a great earthquake 7.0, Friday morning, Nov 30, 2018, in Alaska the 49th state of the Union? Is this a repeat of the great earthquake at Yahshua the Messiah's death on the 49 or 490 year cycle (Mat. 28:1-4)?

More on this later?

Here is a Prophecy by Mark Taylor who prophecies in 2011 of Trump becoming President in 2015-2016. He said Elohim told him that 2 presidents will be taken and three will be shaken.
