

The Trial of the Century (Trump Impeachment) By The Pattern, P. 1

Eccl. 1:9-11 *9 The thing that hath been, it is that which shall be; and that which is done is that which shall be done: and there is no new thing under the sun." 10 Is there any thing whereof it may be said, See, this is new? it hath been already of old time, which was before us. 11 There is no remembrance of former things; neither shall there be any remembrance of things that are to come with those that shall come after.*

Eccl. 3:15 *15 That which hath been is now; and that which is to be hath already been; and God requireth that which is past.*

Introduction

Dr. H. C. Kinley, founder of the Institute of Divine Metaphysical Research, had a panoramic vision and revelation in 1931 that revealed the purpose and plan of Yahweh Elohim, who is the pattern, in his book Elohim the Archetype Pattern of the Universe.

Few, including those that study Dr. Kinley's vision, are able to understand the operation of Elohim's purpose today as a repeat in current events. Solomon wrote: *"Whatever is has already been, and what will be has been before; and God will call the past to account."* Eccl 3:15

The supreme test is to truly understand current events/ principles today repeating themselves through time with scriptures and the divine pattern, which distinguishes the Bible

from myth, fables, and legends.

Impeachment of US Presidents

Today the Democratic majority in the House of Representatives (233-D to 197-R) are trying to impeach President Donald Trump 45th.

14 min. into the video Moriariy talks about Trump's impeachment

This rare event has been preceded by only two other presidents out of 45 in US history.

1. President Andrew Johnson 17th was impeached in 1868 for "high crimes and misdemeanors".
2. President Bill Clinton 42nd was impeached by the House of Representatives on December 19, 1998 on grounds of perjury to a grand jury (by a 228–206 vote) and obstruction of justice (by a 221–212 vote).
3. Now President Trump 45th is the third president to be impeached.

- Democrats are charging President Trump 45th with betraying his oath of office and enlisting a foreign power to investigate a political opponent to enhance his own gain. There have others charges been added.
- To those that have a profound understanding by the Holy Spirit, this would be the third impeachment in 230 years since George Washington was elected under the US Constitution in 1789.
- There has been an impeachment each century in the US since the 1800's which is the 19th century.
- President Johnson 17th was impeached in the 19th century. President Clinton 42nd impeached in the 20th century.
- Will President Trump 45th be impeached in the 21st century?

Impeachments by the Pattern

By the tabernacle pattern there is a principle of three compartments 1. Most Holy Place, 2. Holy Place and 3. Court Round About which represents these three; Father, the Word or Son and the Holy Spirit (1 John 5:7). Now the three presidential impeachments by the tabernacle pattern are correlated as follows:

1. President Trump 45th - Most Holy Place
2. President Clinton 42nd - Holy Place
3. President Johnson 17th - Court Round About

Why Has There Been One President Impeached Every Century?

Now the question arises: why has there been one impeachment per century? What is the significance in the purpose of Elohim? What is this a repeat of since King Solomon said there is nothing new under the sun (Son). Eccl 1:9.

These questions cannot be answered by political pundits or American historians for they know little to nothing about the purpose of Elohim and how all these events in time are ordered by Elohim's purpose, pattern and plan.

Neither do individual political parties' ideologies or public views have anything to do with the cause for these impeachments as it appears.

Are All Events Predestined from the Foundation of the world (Isa. 47:9-10)?

Our Savior Yahshua the Messiah, the Word (Jn. 1:1-4,14) made flesh, had His own life history written by the prophets before He was born.

Thus, the Messiah's purpose was to fulfill (Mt. 5:17-18, Lk. 24:44-46) the scriptures. Hence, the key to explaining the

mystery of impeachment lies in examining the fulfillment and seeing the repeats in this age, for there is nothing new under the sun.

Pontius Pilate thought he was carrying out his own will when he told Yahshua the Messiah at His trial that he had power over His life or death. The Messiah corrected him knowing the scriptures had prophesied His death which was in fulfillment of the lamb in Egypt. Exo. 12th Chapter; John 5:39

The Messiah told Pontius Pilate that he only had the power that had been given him from His father in heaven Yahweh (Jn. 19:20-21).

Again few understand all events in history are foreknown and predestined by Elohim (Isa 46:9-10).

How Do We Understand Impeachment?

To understand the true divine meaning of impeachment, one has to understand the holy scriptures, which many academicians scoff at in disdain or disbelief. The scriptures have nothing to do with anything they say in their own ignorance.

Impeachment in the US is defined as "a charge of misconduct made against the holder of a public office."

The Messiah didn't hold an office under the Old Covenant or Law of Moses, although he was the Prince of Peace (Isa. 9:6) and Pontius Pilate said he was King of the Jews (Matt. 27:37; John 19:21-22). As far as Pontius Pilate was concerned the Messiah was spotless and his impeachment from office was by His death. Pontius Pilate was a Gentile that didn't understand the law. The hidden mystery is the Scribes and Pharisees were impeached or being removed from office by the New Covenant or the Death, Burial, and Resurrection of Yahshua the Messiah (Heb. 10th chp.)

What happened at the Messiah's Interrogation and Trial?

At the end of the Messiah's ministry, which was the end of Post Diluvian Age after the flood. He was brought to an interrogation by the religious leaders (the two high priests, Anna's, appointed by Roman authorities, and Caiaphas, Israel's high priest, Jn. 18:24) and a trial by Pontus Pilate, and king Herod. [Note: Click [here](#) for more details on two high priests.] The Messiah was first charged by the priests (Jn. 18:1-24) with blasphemy and subversion (Mk. 14:73-64).

The high priests found no witnesses to testify against Yahshua (Mk. 14:55) and false witness came forth but none could agree (Mk. 14:56-59).

The high priests of Israel and Pilate were not conscious they were fulfilling the scriptures by putting the Messiah on trial. For example, here are a few prophecies about his trial with the religious leaders of Israel;

- He opened not his mouth at the trial in fulfillment of Isa. 53.7.
"7 He was oppressed, and he was afflicted, yet he opened not his mouth: he is brought as a lamb to the slaughter, and as a sheep before her shearers is dumb, so he openeth not his mouth."
- Isaiah the prophet wrote: *"He was taken from prison and from judgment: and who shall declare his generation? ... (Isa. 53.8)"*

The scriptures were fulfilled by Israel's high priests first interrogating him and holding judgement. Then Pontius Pilate held a trial and found him innocent (Jn. 19:12, Lk. 23:4, 20), but sentenced him to death due to the people's clamoring to Pilate to crucify Yahshua and release Barnabas (Lk. 23:20-25).

Yahshua was found innocent by Pilate who did not know this trial would change Israel and the gentiles ways of worshiping Yahweh in Spirit and Truth in our Present Kingdom of Grace through the Holy Spirit being poured out (Jn. 4:21-24).

The elements of Yahshua the Messiah trials are repeated with President Trump's Impeachment by the House of Representatives in this 21st century. Again there is nothing new under the sun.

Here are a few points PLIM will bring out in P2

Israel was divided by Sadducees, Pharisees, and Yahshua the Messiah (Mt. 10:35) just as the US is divided by Republicans and Democrats. His presidency is further enflamed by President Trump election and Democratic Hillary Clinton defeat, who was the favorite of the media, polls and everyone.

The religious leaders didn't recognize Yahshua as the Son of Yahweh the Father (Mk. 2:7; 3:22; 11:27-28; 14:53-64; 15:29-32, 39), just as the Democrats don't recognize Trump as the elected President because he was elected by the electoral college and Hillary won the popular vote. They ignore four other presidents who won by electoral college: G. W. Bush 43, B. Harrison 23, R. Hayes 19, J. Q. Adams 6. [Note: for more details on United States presidential elections in which the winner lost the popular vote, click [here](#).]

Yahshua was hated for pointing out the corruption of Israel (Mt. 23:27-35) Likewise, President Trump is hated because he promised to clean up the swamp in DC as reported by the corrupt media.

Witnesses of Yahshua's trial could not agree with each other and issued false statements against the Messiah (Lk. 14:56-50) just as the witnesses against President Trump had credibility issues especially the two whistle blowers: Col. Eric Ciaramella, CIA officer, and Lt. Col. Alexander Vindman, a decorated veteran and Ukraine expert on the White House National Security Council. The Democrats didn't even call the Ukraine whistle blower to testify at the trial. Click [here](#) to read Adam Schiff's explanation.

These are a few issues PLIM will address in comparing the Impeachment of President Trump and Yahshua the Messiah's trial in a future articles.

Yahweh's Will, Not Ours, Will Be Done (1 Thes. 5:18; Prov. 3:5-6; Matt. 6:10)

Finally, the important issue here is the impeachment of the three presidents play roles in some of the great changes in US history, which most AMERICANS and scholars overlook.

In Part 2 of this article, we will look at the three changes following the Presidential impeachments which reflected the greatest change in the ages; the establishment of the New Covenant by Grace thru Faith by Yahshua's death, burial, resurrection and outpouring of the Holy Spirit.

These impeachments of US Presidents also reflected the greatest TRIAL in human history the trial of Yahshua the Messiah and His death for Israel's sins not for Gentiles for they weren't given the Law of Moses or the Old Covenant.

Yahshua's trial brought about the end of the second age in time after the flood. This second age, called the Post Diluvian Age, ended the Old Covenant establishing the New Age and Covenant (Jer. 31:31-34; Rom. 10:4) and the Present Kingdom Age of Grace by faith, beginning with the outpouring of the Holy Spirit (Acts 2:1-4).

Future Questions

Will President Trump 45 bring about new changes in US history? The number 45 declares the Messiah's purpose. See Daniel's prophecy. 12:11-12. Pt 2 will answer this question.

One has to keep in mind and understand this impeachment is not about President Trump, Speaker Pelosi, Democrats,

Republicans, whistle blowers, your personal opinions, etc., but the purpose of Yahweh Elohim and his desired effects.

The great playwright Shakespeare said we are all players on the stage of life with a part (good, bad or indifferent) to play. We quote his poem below.

*"All the world's a stage,
And all the men and women merely players;
They have their exits and their entrances,
And one man in his time plays many parts..."*

Never ever forget this, for salvation is predicated on understanding and believing the constant repetitions of Elohim - the Son's purpose, plan and pattern which is Himself.

Pt. 2 will follow soon.
