Below are all the presidents since WWI to the present by the 3-fold Tabernacle Pattern. It must be understood that the two World Wars and the upcoming World War III is a REPLAY of the war in heaven when Lucifer, the Dragon, and his host warred against Michael and his host (Rev. 12:7-11) operating thru three ages in time.

Do you think it's just coincidence that the death of a man and woman began the first age and the first WW and the second WW and age ended with the 33rd president and the Messiah at age 33? Further correlations are outlined in the Red Book written in 1984.

Using the tabernacle pattern and Israel's migration as outlined in the Elohim text by Dr H. C. Kinley. WWI corresponds with the Court Round About and Egypt. WWII corresponds with the Holy Place and the Wilderness, WWIII corresponds with Most Holy Place and the Promised Land in the migratory trek.

Some basic correlations from Dr. Henry C Kinley's Vision that you already know and have memorized will be used to show the repetition of Yahweh Elohim's purpose repeating over and over thru the ages.

There were 12 Presidents after the 33rd President, TruMAN, ENDED WWII which correlates with the 12 tribes of Israel that crossed over the River Jordan, after Joshua the Son of Nun mourned Moses death 30 days and gave Israel 3 days to prepare victuals, a total of 33 days (Deut. 34:8; Joshua 1:11). This also correlates with the end of the Post Diluvian Age with Yahshua's death on the cross at 33 years old.

Yahshua the Messiah on the cross at 33 1/2 years old rent the vail in the Herodian Temple between the HP and MHP (Matt. 27:51-53) which ended the Post Diluvian Age.

Now the 12 apostles receiving the Holy Spirit in Jerusalem AD 33 1/2 beginning this present kingdom age of grace (Acts 2:17-18) correlates with the 12 tribes entering Canaan Land under the leadership of Joshua the Son of Nun.

Note: This Revelation of the Presidents of the US was part of the Third World War (Red Book) that I wrote in 1983. I sent copies to IDMR heads, members of Congress, and the 40th President Ronald Regan, to warn him of a coming depression in 1989 AD.

I wrote President Trump two letters. The first one was before his election, the second one was after the election, congratulating him on winning the 2016 election. Both letters showed Trump the significance of his 45th presidential term being the 12th president after Truman the 33rd president.

### Do the US Presidents Correspond to the Tabernacle Pattern?

Truman, the 33rd president, ended WWII with the dropping of atomic bombs on two Japanese cities that correlated with the Holy Spirit and cloven tongue of fire being poured out on Jews and Gentiles.

This is the clue why President Trump 45th is so important to the US at this time in American history. Few understand the meaning of President Trump's term because they don't understand Daniel's vision of the 1290 days and 1335 days (Dan. 12:11), how Yahshua the Messiah fulfilled this, and its repeat today.

The repeat of WWI, WWII, and the Presidents of the United States is nothing more than a repeat of the first 2 ages in time, Israel migratory trek, and Yahshua the Messiah and His 12 disciples.

Keep In Mind "The testimony of YAHSHUA is the SPIRIT OF PROPHECY.... " (Rev. 19:10)

### Are Trump's Battles Repeats of Joshua Fighting in Canaan Land and Yahshua's Conflicts with the Scribes and Pharisees?

By the Tabernacle Pattern and the Eternal purpose of Yahweh President Trump is also playing the role of Joshua the son of Nun who went to war in Canaan land, with 31 gentile nations whom he conquered.

Now Yahshua the Messiah was 33 years old when He and His 12 disciples/apostles defeated the doctrines of the Sanhedrin Council (Scribes, Pharisees, Sadducees & Paul (Acts 9:1-2) which consisted of keeping the Law of Moses.

Canaan Land by the pattern represents the Most Holy Place. Thus, President Trump by the tabernacle pattern is placed in the Most Holy

Place, Being the 12th president since President Truman 33rd ( 2nd Veil)

What this means is that President Trump will be playing the same role as Yahshua/Joshua, being a warrior president even though he's not aware of it.

#### 45th Presidential Term (2017-2021) and possible 2nd Term (2022-2025?)

Few understand the meaning of the 45th term, how it is tied into Daniel's prophecy, and what must be manifested in this term.

The 45th term explains why there is a division and polarization in the US (Democrats and Republicans), the talk of a civil war, treason, hatred of President Trump, signs of the coming depression (end of the debt crisis or Jubilee by 2020+) and possible WWII at the END OF 2020s decade or early 2030s.

To prove why these circumstances and crisis are occurring during this 45th Presidential term and why they seem to have reached a climax, one has to understand the great mystery of the role the number 45 plays in Daniel's Prophecy.

#### What role does the number 45 plays in Daniel's Prophecy?

Daniel 12:11-12 wrote in his vision the following:

“And from the time that the daily sacrifice shall be taken away, and the abomination that maketh desolate set up, there shall be a thousand two hundred and ninety days. 12 Blessed is he that waiteth, and cometh to the thousand three hundred and five and thirty days.”

The 1290 days symbolically represent 33 1/2 years of the Messiah life.

Now 1260 days is the time in His ministry (Dan. 9:27, 3 1/2 years or 42 months ) and the 30 is the age He began His ministry when he was baptized by John the Baptist (Luk. 3:23).

Now Daniel goes on to say Blessed is he that waiteth, and cometh to the thousand three hundred and five and thirty days. 1290 days + 45 days = 1335.

Since 1290 days represent the age of the Messiah's life, what does the 45 days represent? This is a great mystery. It represents the day of pentecost, when the Holy Spirit was poured out.

This occurred during the 4th millennium (4,000 years from Adam, First Man) when the Messiah was born (as the sun was placed in the sky on the 4th day of creation). The 50th day of pentecost was when the Holy Spirit was poured out, after 1290 days of the Messiah's life (33 1/2 years).

This began the regeneration of the 120 disciples in Jerusalem at 9:00 am beginning the present kingdom age of grace AD 33 1/2.

In simple cryptic terms Elohim expresses this as 45, or the 4th millennium + 5 pentecost. Zero has no value.

So the number 45 brought in a new age, the Present Kingdom Age of Grace, where a division occurred between the believers of Yahshua the Messiah and the religious leaders of Israel. There was hatred between these two groups.

#### How did Israel Change After Pentecost?

There was a Civil War in Israel with the Apostle Paul persecuting (Acts 9:1-2) the believers of Yahshua the Messiah for not keeping the Law of Moses. Peter and John were told not to preach in the name of Yahshua after curing the man at Gate Beautiful (Act 3rd chp.).

Now the 45 principle was also repeated during the 45 presidential election (since George Washington's presidential election) when President Nixon 37th was elected and the nation was torn over the Watergate scandal. There was a congressional hearing on the matter and President Nixon 37th was forced to resign. There was also a division in the nation between parties.

#### How Is Trump's 45th Presidency Reflecting A Change?

So Trump the 45th president has to replay or repeat what happened during the pentecost period.

The media hates President Trump. He is hated and ridiculed by everyone, sedition by the Democrats and their allies.

The Democrats talk of impeaching President Trump when they take the House of Representatives and they talk of civil war.

Keep in mind politics is not causing confusion in the US, but it is the purpose of Elohim repeating itself over and over again.

**45th president term equals WAR + 33rd president equals 1290 equals 1335.**

More on this mystery later.

Note: There's 45 years from when Dr. Kinley received the vision in 1931 to His death in 1976 to. Is this a coincidence?

Hallelujah!!!!!!
